

# PARENT VOLUNTEER PROGRAMME

## 2019-2020

### **What is the Parent Volunteer Programme?**

Parental involvement is crucial to the health and well-being of a child. As a parent, you are the most important influence in your child's success in school and in life. In this role, you have a fresh opportunity every day to get involved with your child.

Research proves that parent involvement has a positive effect on student success. When parents are involved in their children's education, they achieve more and schools perform better. We are extremely appreciative of all moms, dads & guardians who are willing to commit their time and energy to making our school an excellent place of learning for all students. It takes many hands to get the myriad of jobs completed each year. We welcome volunteers to join in the goal of making our school the best that it can be.

Thank you

### **How to Volunteer**

Parents of Haque Academy who are interested in devoting their time and energy to assist the administration and teachers can volunteer to work as a Class Volunteer.

Volunteers play a key role in the classroom and other school-related activities. Volunteers may be asked to come in for various activities or events taking place. Examples of volunteer opportunities include read aloud sessions, accompanying students on field trips, assisting teachers in making costumes for the school concert, helping in our Annual Carnival and many more

### **Things to Keep In Mind**

- Dependability & promptness are essential. Except in an emergency, volunteers are requested to give at least 24 hour notice if they are unable to fulfill their responsibility. Teachers and other staff will do the same if there is a change on our end.
- Volunteers shall exercise mature judgment in supervising children and shall in all instances respect each student's rights and privacy. Volunteers should only discuss any concerns directly and exclusively with the supervising teacher/staff.
- Volunteers should be willing to perform a wide range of assigned tasks. This may include tasks such as cutting, sorting, binding, creating folders and working directly with students.
- Volunteers should make outside arrangements for child care of non-school age children instead of bringing them to school during volunteer time.

### **How to Register**
